Dear Members and Friends,

Land & Culture Organisation Membership

Since its inception, LCO has attracted a large number of volunteers from the Armenian Diaspora around the world. Nonetheless, each year it relies on the work of volunteers and the support of its members to fulfil its objectives.

Our main purpose is to create interest among the Armenians in the United Kingdom in the restoration of ancestral sites on Armenian land. This in turn involves organising events which contribute to the enhancement of community awareness of Armenian culture. We endeavour to bring together and create bonds among Armenians living in Armenia and the Diaspora.

In order to fulfil our objectives and expand our programmes for Armenia and the Diaspora, we would like to offer our friends and supporters the opportunity to become a member of LCO UK and have a real input in the success of the organisation.

Therefore if you wish to join us to discuss our future programmes and your involvement, or if you simply wish to support us, please fill in the slip below and return it to LCO by email to landandculture@hotmail.com.
